Good Luck in this thing then,
call a school. I hope you do good
at the things you want. Also you
should never go to parties where
a person who is drunk is carrying
a gun.

Tracy,
Don't forget
we're going to
Florida soon
as we get out
of this hell hole!
Friends Always
Angela.

Tracy,

Hope you have fun in everything you do. You're a good friend and I hope you always will be.

We been friends
for a lot of years
and I hope it stays
that way, good Luck

THE RAINBOW CONNECTION

Why are there so many songs about rainbows,
And what's on the other side?
Rainbows are visions, but only illusions,
And rainbows have nothing to hide.

So we've been told, and some choose to believe it;
I know they're wrong; wait and see.
Someday we'll find it, the rainbow connection;
The lovers, the dreamers, and me.

Who said that ev'ry wish would be heard and answered
when wished on the morning star?
Somebody thought of that, and someone believed it;
Look what it's done so far.

What's so amazing that keeps us star-gazing
And what do we think we might see?
Someday we'll find it, the rainbow connection;
The lovers, the dreamers, and me.

All of us under it's spell;
We know that it's probably magic.

Have you been half asleep and have you heard voices?
I've heard them calling my name.
Is this the sweet sound that calls the young sailors?
The voice might be one and the same.

I've heard it too many times to ignore it.
It's something that I'm s'posed to be.
Someday we'll find it, the rainbow connection;
The lovers, the dreamers, and me.

ARTISTE AT WORK

ART DEPARTMENT

Art has returned to H.H.S. this year — after a year's absence — along with a new teacher, Mrs. Stark. Art is a class for creative students who like working with their hands. Classes in design, painting, drawing, sculpture, and ceramics are included in the art curriculum. Fiber art, commercial art, and print making are also offered for the students' learning and enjoyment.

BUILDING TRADES

Building Trades is a class that teaches the finer points of building construction and maintenance. In the past three years, new homes have been constructed. This year, however, the class is renovating an older home. Under the direction of Mr. Jim Kull, the students gain valuable carpentry, electrical, and plumbing knowledge and skills.

BUSINESS

Students who are planning to take part in a business career have many different classes open to them at H.H.S. Office Machines, Office Simulation, Shorthand I and II, and Typing I and II are classes for the student interested in secretarial work. Accounting I and II are classes for those who like to work with numbers and keep records. Introduction to Business is a class where just the basics of business are learned.

"MAY I HELP YOU?"

COUNSELING

The students may not realize it, but the counselors can play an important role in helping them plan their futures as well as their immediate lives. Depending on your needs, your counselor, through advisement, can help you make decisions about life, develop positive attitudes, choose courses and solve personal problems with family, friends, and teachers. They can also help you to discover your talents and abilities which eventually may help you find a job, plan your education or decide on a career. The counselor is also trained to help you make the best choices about values, friends, life styles, and work. They will keep your confidence under mutual agreement. The goal of counseling is to help you understand yourself so you can learn to make better decisions about your life.

The Foreign Language Dept. at HHS consists of French, German, and Spanish. The traditions, cultures, and customs of each language are taught in class as well as the basics of the language itself. Each language also has its own club. Since most colleges require two years and recommend four years of a foreign language, it's a good idea for a student to get involved into as much of a foreign language as possible.

The Industrial Arts Department at Hillsboro High School offers classes that cover a variety of art such as metals, drafting, woods, and electricity. The freshmen are offered a year course consisting of nine-week sections of each subject. These nine-week sections give the freshman student a "taste" of what the major courses will entail. Once a student has been introduced to an area and finds that subject suitable for his vocational goals, he may then enroll for more advanced courses in that particular subject area throughout the next three years of high school study.

LIBRARY WORKERS

CENTER

The Library Media Center, under the new direction of Mr. Thomas, underwent a remodeling this year. All of the library rooms have been re-arranged for better use, and new activities have taken place. National library week was celebrated with an open house and new paperback book collection, while earlier in the year an art exhibit and book give-away were held. HHS students are enthusiastic about the re-done media center.

MATH

Even though H.H.S. requires only one year of math, there are many courses offered in this area. Freshmen can choose from General Math, Pre-Algebra and Algebra. After completing Algebra, a student can go on to Geometry, then to Algebra II and further on to Pre-Calculus. College-bound students should get involved in the math classes as much as possible since many colleges require math as a prerequisite to other courses.

In a way, the H.H.S. music department got a "new start" this year. The band room was completely remodeled over the summer, enabling the group to practice on stationary carpeted risers. Not only does the band practice music during class, but they also practice marching for parades and field shows. The choir started out in a completely new room. The former coaches office was turned into the choir room. The swing choir and babershop groups also practice in this new area for their performances at school and around the community.

The courses that one can take in the Science Department are many. Besides the freshman science and biology that are required, there are anatomy/physiology, genetics, cell microbiology, physics, and chemistry. Work labs consisting of making and engine, autopsy on cats and sharks, operating on rats, and reproducing fruitflies are part of the courses as well as text work. A solar day exhibit was held for the second year. Projects created by individual students were on display showing various ways the sun's energy can be put to use.

HAPPY WANDERERS' WORLD OF TRAVEL

The HHS Varsity Football squad kicked off this season winning 4 out of their first 5 games, much to everyone's surprise actually. Having lost numerous seniors last season, there was fear of weakness in the upcoming 1980 season. But, for the beginning of their season, the 'Toppers continued to defy the predictions and tallied one win after another.

Stunning wins over Gillespie and Pana opened their year and carried them high, until they were upset by Greenville midway through the year, a definite turning point in their season. From there, HHS went on to post a mediocre but nevertheless, win heavy, 5-4 record. The Hiltoppers were 3-3 in the Midstate.

Ten seniors pictured below were featured on the 1980 squad, which was heavily composed of juniors. On this note, there seems much reason to be optimistic for the upcoming year.

But, in reflection, certain moments of the 1980 season will live on forever in the minds of the young men below. When in retrospect, they are sure to remember their 3 impressive shutouts, numerous last minute rallies, a heartbreaking homecoming loss, and the fact that, under the direction of Coach Dave Ball, they were able to defy the predictions.

GIRLS TENNIS

An open tennis roster at the beginning of the 1980 Girls Tennis season at HHS, which was left that way due to last year's graduation, was filled out commendably under the direction of first year girls coach, Mark Matthews. A good turnout for this year's team led the relatively new squad to tally a winning 7-5 record.

Despite several difficulties, the 'Toppers plunged through their schedule contests quite well. Three seniors, who helped hold the young squad together were Lori DeRight, Cathy Bourdouis and Julie Eickhoff. Along with the efforts of their cohorts, the girls squad posted several shutouts also.

Perhaps the highlight of the female racketeers season was their representation by two team members at the state competition. The doubles team of DeRight and Frazier placed at districts and therefore qualified for state competition, a commendable accomplishment. The females traveled to Chicago for their tough competition.

The graduation of the three aforementioned seniors leaves the roster again semi-open and lacking in upcoming seniors for next year. Coach Matthews will again seek that rebuilding magic which brought him wins this year.

And They're Off!

B. Allen

C. Hughes

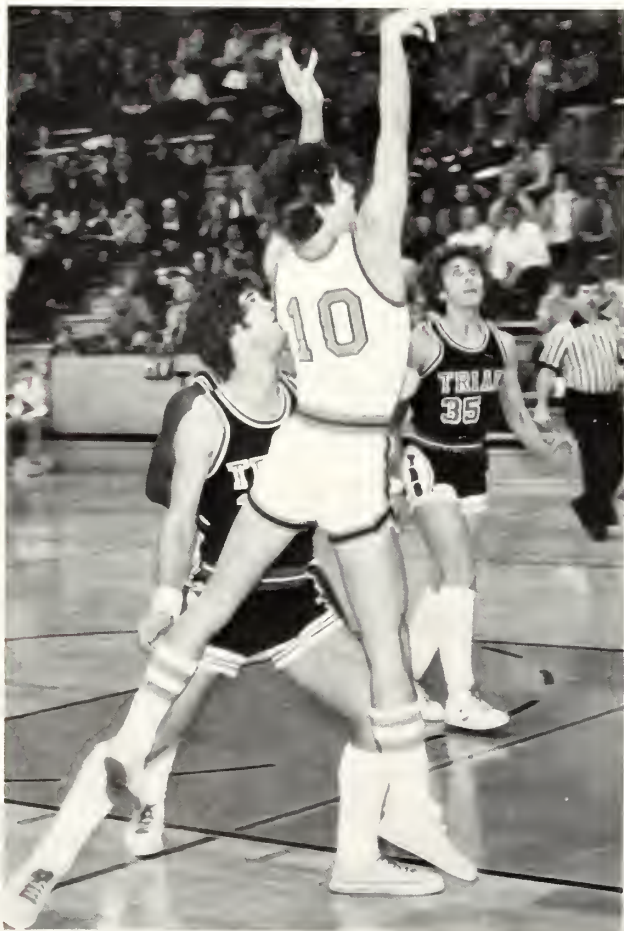

It was a season of rebuilding and transformation for the HHS Cross Country squad. Unfortunately, this was reflected in the fact that victories seemed to be few and far between for the 1980 harriers.

Many of the squads problems can be attributed to the numerous graduation casualties and consequently 1980 became a year of planning and reconstructing HHS's Cross Country team for future seasons. Only two seniors filled out the 'Toppers roster, Will Ginos and Tammy Hughes.

Each year, the Cross Country circuit has seen more and more females participating. For the first time in Hillsboro's history, females found their way to the 'Toppers roster. Coach Ken Schaal's crew consisted of three young women, and the trend is likely to continue.

So many new beginnings were set into motion during the 1980 year, and promise of a broadening Cross Country squad seems eminent.

BASKETBALL

It was a rebuilding year for the HHS varsity basketball squad, this evident from their 8-18 overall record. Coach Harland Scheibal's crew faced many a disheartening contest throughout the season losing several by narrow margins. Despite a number of tight contests, the 'Topper came up on the losing end more often than not.

The ball club did have several glimmering moments in an otherwise lackluster season, including a second place finish in the early season Greenville Tourney. The 1980-1981 cagers are sure to remember also their triple overtime loss to Taylorville.

Only one graduation casualty will hurt next years Hilltopper squad, the lone senior this year being Kent Lovelace. The orange and black varsity can look forward to an experienced ball club next year.

Despite severe graduation casualties from the year past, the HHS wrestling squad overcame the predicted lack of depth and posted winning marks. Coach Dave Ball rebuilt his squad for '81 and romped through the season to tally 14 wins and only 6 losses.

Indeed it was a season of unexpected accomplishments from the local grapplers. Their first place win at the Shelbyville conference tourney and their second place finish at districts are two such commendable feats.

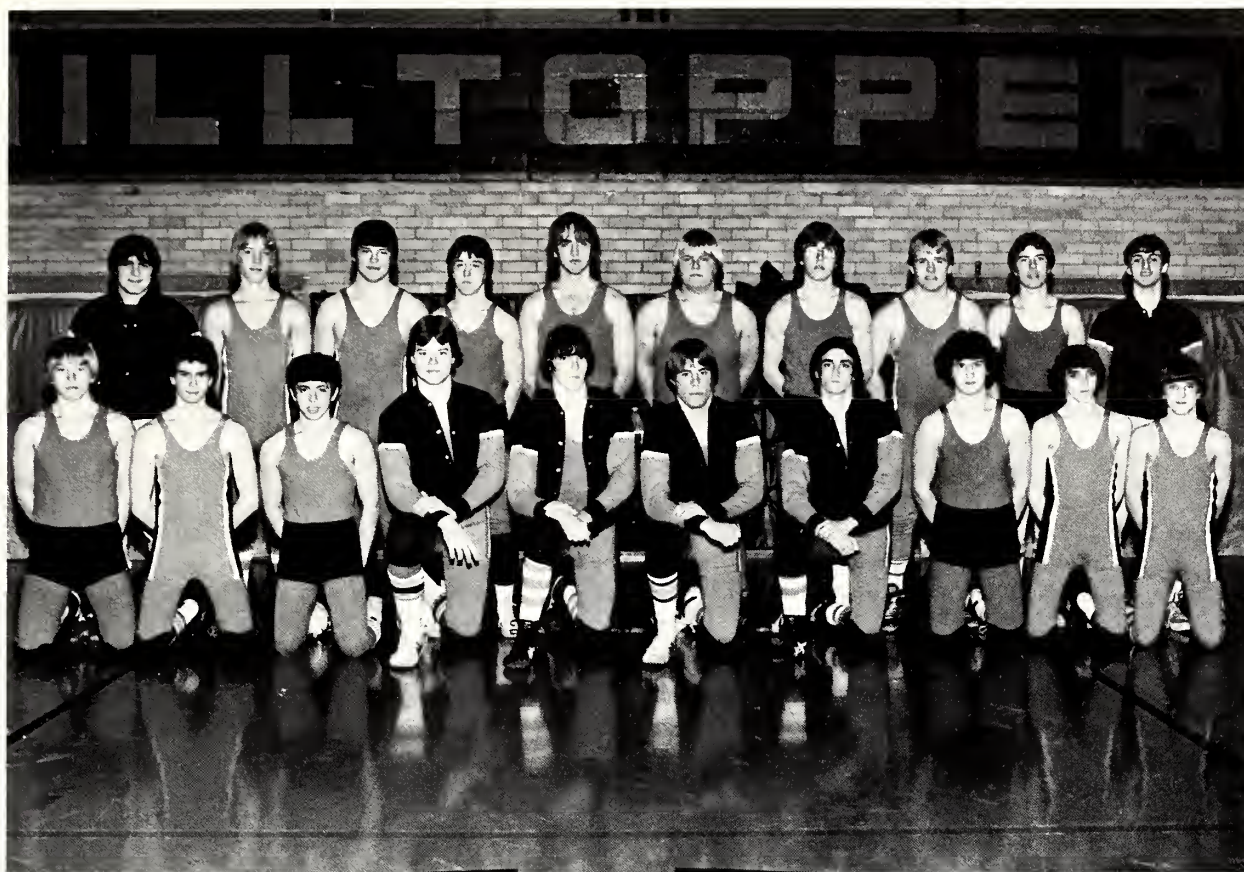

Post season action was impressive also-five wrestlers traveled to the sectional competition. Three 'Toppers, Mark Calufetti, Ernie Renfro and Alan Young, won their way to state competition and were also named to the State Register Journal wrestling honor roll.

Next year, Coach Ball doesn't face such mammoth senior losses as he had coming into this year. Nevertheless, six seniors will have to be replaced-they include: Paul Milburg, Mark Calufetti, Paul Loucks, Bob Eifling, Todd Bennington and Alan Young.

BASKETBALL

All season, the HHS girls basketball squad was plagued by taped ankles, a sparse roster and a rigorous schedule, yet continued stamina and determination on the part of the Hilltoppers brought them through. Coach Pam Roper's ball club managed to weather the series of ills and post a 12-12 overall record.

The girls ball club, now in its third year as an HHS winter sport, had several highlights to their 80-81 season. The female cagers will never forget the fact that they made it to the regionals championship. But, the most vivid of memories and rewarding of accomplishments, it undoubtedly the fact that they fought back. When there was speculation that the club could kiss their win-loss record good-bye, the girls came roaring back and closed a seemingly insurmountable gap between win and losses.

The girls' basketball team this year contained two very important seniors- Kelli Seaton and Patty Rufus. Patty is a 4 year varsity letter winner. She also holds the record for most assists in a single game (11) and was voted 1981 Most Unselfish player.

Kelli also is a 4 year letter winner. She was selected as an all-area player by the Decatur Herald and to the all-tourney team for the Carrollton Tournament. In that tournament, she set a new scoring record with 42 points. Her team honored her for these achievements by naming her as their Most Valuable Player and Best Defensive Player.

GIRLS TRACK

It was undoubtedly one of the best seasons for the HHS track squad in years, both winning and eventful. The team posted a 6-3 overall record and received several honors throughout the season, including a first place at the county tournament.

The real excitement started for Coach Diane Wood's squad during the post season events when the girls broke six school records at sectionals. Two Hilltoppers qualified for state competition that same day, C. Hughes and J. Wisdom. Cindy went on to place at State in the 800 and 3200 meter run. Many of the girls were also invited to postseason events such as the "Springfield Best Meet" and "Area Best" in Decatur and several did well.

Seniors who will leave the '81 sports squad include Beth Young, Kelli Seaton, and Tammy Hughes. The remaining females can look forward to a good season next year.

The HHS boys tennis squad had a season of rough breaks, but nevertheless ended up posting a 5-7 record. The raquetteers losses included several disheartening single point defeats and and cold and rainy weather conditions prevailed at several early season bouts.

Late in the spring season, the club put it all together to take second at the Midstate Conference Tourney and were only one match short of the coveted title. Nevertheless, the second place finish was commendable.

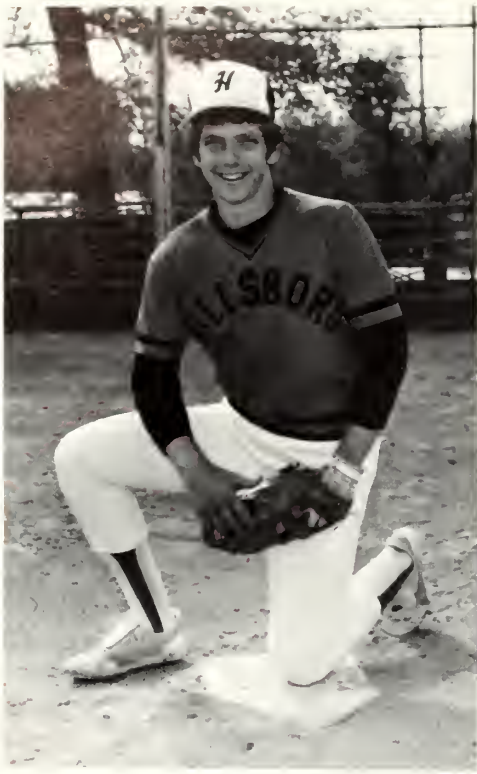

Two seniors, Brian Graden and Todd Bennington, have served their last games of high school tennis. The captain of the squad was David Finley and MVP waa Dieter Rademacher.

The baseball squad had another winning year under the instruction of Coach Harland Scheibal. The ball club was 13-6 for the year. Their successful season included a winning streak 8 games long, a county tournament first and a regional crown.

The team advanced from regionals to sectional competition, and from there to the sectional finals. Here, the HHS season ended as they were defeated a mere one game short of state competition.

Seniors leaving the club include Kent Lovelace; and MVP, Loren White.

The Outdoor Ed class is responsible for maintenance and expansion of the nature trail at the High School. This year, with the help of Mr. Snopko's Ag class, the class built a 40 foot suspension bridge on the nature trail. The Outdoor Ed students also designed "mini courses" and gave talks about the nature trail to 5th grade students. Then, tours were given to about 300 elementary students.

THE ACADEMIC ACHIEVEMENT BOWL

WE
WON

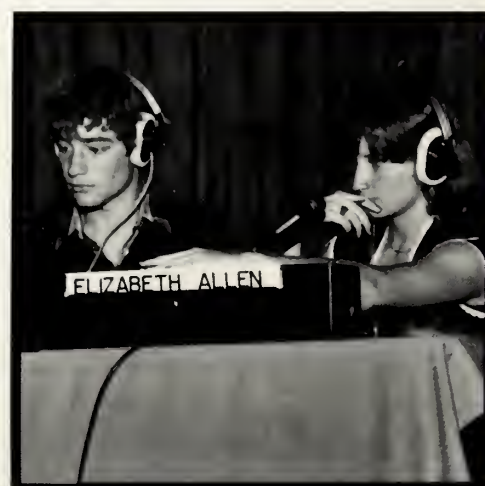

SECOND
PLACE

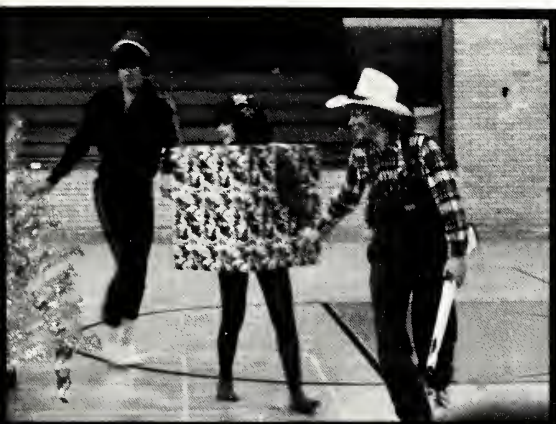

L to R: Coach Pam Roper, Team members- Eric Hart, Liz Allen, Ellen Thomas, Brian Graden, Asst. Principal- Mike Gaither.

The Academic Bowl Team is a dynamic, competitive organization. The 15 members of this year's team participated in five meets including our own, placing 2nd at both Sullivan and Hillsboro.

What do these people do at meets? They answer questions. About what? Everything; anything. What are the subject areas? All of the following: math, history, geography, biology, current events, English, grammar, literature ...

THE CHRISTMAS SPIRIT

IS STARTING TO SHOW!!!

A TIME FOR US

Brian, what's that in your ear???

If you want to capture someone's attention, whisper.

Oh, come on Brenda!

Alone again,
naturally.

I DARE you!!!

156/WINTER FORMAL

I'll tell ya, it's like this ...

Look this way, Cathy.

WINTER FORMAL 1981

Hey, who turned the lights on???

Let me hold your hand

Come on Shelly, quit picking your ear.

Hut, two, three, four ...

Go Speed Racer??

PUNK Out!!!

You say you like to dance?

You DEVIL you!!!

Come on, Marianne, just one last kiss ...

JR. & SR. BANQUET

The devil's twin gals.

Peace brothers ...

Boy, does she ever look ridiculous!

Julie, stop biting your nails.

Who cares if she likes to stick out her tongue?

Dig that beat!

I can dance all night.

Aren't we the cute couple?

The liberated trio.

Dancin' the night away.

This food's disgusting!

I love this hold.

Ta-dah!

PROM PREPARATION

Did you see that?

Hm, I forgot what we're supposed to do next.

I told you not to take my picture!

What are those kids up to now?

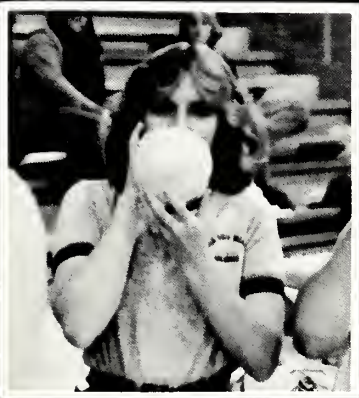

Wait a minute.

Flowdy!

Look at these nice, broad smiles.

Brenda, just a little more hot air.

Gals, don't you like these flexed biceps???

George, how'd you increase you chest size?

Now, let's sing that tune once more.

Smile, you're on candid camera.

That's the funniest joke I've heard!

DANCE CANDIDS

Look this way.

Let's dance over that way.

Our very own personalized circus clowns.

Paul, won't you dance now?

Real cute Carl.

Stop looking at my feet.

What did you say?

He finally took a picture of me.

Wes, stop acting so radical!

I just hate to have my picture taken.

Let's get the beat right.

Candi, wake up.

Nice legs!!!
